Group Dining

ABOUT US

Located in the renown Barossa Valley wine region, Harvest Kitchen is nestled amongst the vines providing diners with some of the regions best valley views.

We are co-located at the Jacob's Creek Visitor Centre, just on the outskirts of the township of Tanunda, providing a convenient location right in the heart of the Barossa.

Harvest Kitchen provides a wonderful location for your special event or casual group catch up. We will work with you to ensure your experience is a special one and fulfils all the needs of your group.

Kids are more than welcome to join you at Harvest Kitchen. Our food is friendly to young palates and we have a separate kids menu for children under 12. There are also areas where parents can supervise their children playing.

OUR FOOD

Our menu is inspired by the flavours of the Mediterranean and we build our dishes using the best of local produce, where possible, and from other wonderful ingredients our state has to offer.

We have designed our food to be shared and it is the perfect way for friends, family or colleagues to get together and dine in a relaxed and comfortable environment.

Our kitchen team will happily cater for all necessary dietary requirements when planning the menu for your event.

Our access to fresh ingredients changes with the seasons and we adjust our menu accordingly.
